### Freedom Call "Dimensions" +5 Bonus Tracks (Import of Taiwan)

[\(Melodicpia\)](#)

UPC: none

Cat#: MPIA0702-007

Genre: Progressive Metal

With an ever-growing presence on the European Metal scene, German power metal upstarts Freedom Call are poised to capitalize upon the growing acceptance of the melodic metal sound on American shores. Anthemic, heavy and always musical, Freedom Call is the answer for fans of bands like Dragonforce who want to explore deeper into the genre.
